AZIMUTH INDUSTRIES LLC

Continuity • Emergency Management • CWMD & Sensitive Activities Advisory

CAPABILITY STATEMENT

SBA-Certified SDVOSB

Service-Disabled Veteran-Owned Small Business

Company Overview. Azimuth Industries is a Virginia-based, SBA-certified Service-Disabled Veteran-Owned Small Business led by a U.S. Army Special Forces veteran with 20+ years supporting DoD, interagency, and allied partners. We deliver senior-level advisory, planning, and program support for continuity of operations (COOP), emergency management, counter-WMD (CWMD), and sensitive activities, helping agencies stay mission-ready under any conditions.

CORE COMPETENCIES

- **Continuity of Operations (COOP):** Continuity planning, essential-function and devolution analysis, operations center readiness, alerting & notification, and exercise support.
- **Emergency Management & Crisis Response:** NIMS/ICS-aligned planning, preparedness assessments, crisis action planning, and personnel accountability.
- **Counter-WMD & Threat Reduction Advisory:** Integration of CWMD capabilities into theater and agency plans; nuclear surety and safeguards awareness.
- **Sensitive Activities & Compartmented Programs:** Program management support, security compliance, and policy integration for compartmented programs.
- **Strategic Planning & Policy Development:** EXORDs, policy guidance, SOPs, and decision briefings for flag-officer and SES leaders.
- **Interagency & Allied Coordination:** Embedded support with combatant commands, U.S. embassies, foreign ministries, and partner SOF.

RELEVANT EXPERIENCE (PRINCIPAL / OWNER)

Experience below was performed by Azimuth's founder as an individual contractor or service member, not as Azimuth prime contracts.

- **The Ascendancy Group (TAG) supporting DTRA (2017–2025):** Forward-deployed to Afghanistan, and to Chad (SOTF-NWA) ISO AFRICOM and SOCAF; senior advisor to Commander, SOCOM Australia; authored a theater-level Sensitive Activities EXORD and Request for Forces for USINDOPACOM/SOCPAC; built an agency-wide technical-surveillance SOP supporting emergency response and COOP; briefed 4-star commanders and interagency principals.
- **Patriot Group International (2015–2016):** ASOT (Advanced Special Operations Techniques) course role player; coordinated the emergency evacuation of 400+ at-risk personnel under high-threat conditions; advised leadership on security risk mitigation.
- **SRC supporting JIEDDO/JIDO (2011–2015):** Four rotations embedded with Joint Task Forces integrating technical and intelligence capabilities and sustaining operations center readiness.
- **U.S. Army (1998–2010):** Infantry to Special Forces: 11B Infantryman, 92Y Unit Supply Specialist, 18E SF Communications Sergeant, 10th SFG(A); multiple combat deployments.

DIFFERENTIATORS

- SBA-certified SDVOSB: eligible for SDVOSB/VOSB set-asides and sole-source awards, and counts toward prime contractors' SDVOSB subcontracting goals.
- Creative problem solver: cleared principal with compartmented-program experience, so cleared work can start quickly.
- Combines field operational and senior-staff policy experience, from tactical crisis response to theater-level plans.
- FEMA EMI Professional Development Series; Defense Nuclear Weapons School surety diploma; B.S. Strategic Studies and Defense Analysis, Norwich University; M.A. Global Security Studies, Johns Hopkins University (in progress).
